

CHRIST UNITED METHODIST PRESCHOOL

Growing with Westfield since 1971

The Christ United Methodist Preschool Program offers the community a child-centered developmental curriculum consistent with the highest levels of early childhood education. We provide an atmosphere in which children can experience enriched play and guided development; individual and group activities; and a better understanding of the world around them and their role in it... *Our philosophy is "Learning is Fun."*

ENRICHMENT for KINDERGARTEN READINESS

We offer small group academic enrichment for our 3's as well as our 4's and 5's. This allows your child to supplement the preschool experience with extra time of hands-on study in math, science, reading, as well as arts and crafts. These programs are designed to complement our core program to further expand your child's Kindergarten readiness. For more information regarding our 4's and 5's enrichment classes contact CJ Carson at carsonc@cumcpreschool.org or for information regarding the 3's explorer class contact Sarah Mills at millss@cumcpreschool.org.
