IS YOUR CHILD READY FOR SOMETHING MORE?

Sign up today for CUMC Preschool's
ENRICHMENT 2021-2022
available with any 4's/5's Class

To meet the needs of those children who are anxious to "dig a little deeper" and stay at Preschool a little longer each day, we offer an engaging small group enrichment program for our 4's and 5's. Enrollment is limited. This allows your child to supplement their preschool experience with extra time of hands-on study in math, science, reading as well as arts and crafts.

CUMC Preschool Enrichment Days offer your child opportunities to:

- Enjoy a cooking class in the kitchen
- Explore the outdoors with magnifying glasses and create nature projects
- Create individual and group art projects for display at preschool
- Scamper through the building with our teachers on themed scavenger hunts
- Expand mathematical thinking during our Math Weeks: number recognition, patterns, sequencing, and simple addition
- Perform science experiments to enhance problem solving and critical thinking skills
- Further develop core reading skills, vocabulary, and verbal expression
- Enhance sportsmanship, cooperation, and following directions with an assortment of games

Allow them to go wherever their imaginations will take them...

This program is designed to complement our 4's and 5's program and further expand your child's academic readiness for Kindergarten. Sign-up now as enrollment is limited to 14 students per class.

Tuition: Any 4's/5's or 5's Class 8:30 AM - 12:30 PM + Enrichment until 2:30 PM: \$315/mo + Supply \$160/yr
