

# CHRIST UNITED METHODIST PRESCHOOL

Is your child ready for something more?

## 4's & 5's Enrichment Class 2022-2023

Fall 2022

To meet the needs of those children who are anxious to "dig a little deeper" and stay at Christ UMC Preschool a little longer each day, we offer an engaging small group ENRICHMENT program for our 4's and 5's.

Enrollment is limited to 14 students per class.

Enrichment allows your child to supplement preschool experience with extra time of hands-on study in Math, Science, Reading as well as Arts and Crafts. Your child's day is extended two hours beyond our core 4's & 5's program.

This program is designed to complement our Monday / Wednesday / Friday core program and further expand your child's academic readiness for Kindergarten.

*Join us and see your child grow in self-confidence and kindergarten readiness.*

The Christ UMC Preschool ENRICHMENT will offer your child opportunities to:

- Enjoy a cooking class in the kitchen
- Explore the outdoors with magnifying glasses and create nature projects
- Create individual and group art projects for display at preschool
- Scamper through the building with our teachers on themed scavenger hunts
- Expand mathematical thinking during our Math Weeks: number recognition, patterns, sequencing, and simple addition
- Perform science experiments to enhance problem solving and critical thinking skills
- Further develop core reading skills, vocabulary, and verbal expression
- Enhance sportsmanship, cooperation, and following directions with an assortment of games
