

CHRIST UNITED METHODIST PRESCHOOL

Available for 3's Jr Pre-Kindergarten on Friday mornings...

3's Explorer Class 2024-2025

To meet the needs of three year old children who are anxious to see, smell, taste, touch, and hear their world come alive... We offer an engaging EXPLORER program. Each day the class will engage in sensory learning based on a chosen book. They will work through guided play to increase competencies and skills in language, reading readiness, problem solving, gross and fine motor skills, teamwork, self-discipline, and self-direction.

This program is designed to complement our Tuesday / Thursday core 3's program and further expand your child's academic readiness for a 4's Pre-K Preschool Program and Kindergarten.

Join us and see your child grow in self-confidence and pre-kindergarten readiness.

The Christ UMC Preschool EXPLORER CLASS will offer your child opportunities to:

- Discover a Books Alive Curriculum including books on: alphabet, animals, colors, shapes, music, drama, friends, and feelings
- Build scenes from stories
- Act out plot lines with puppets, animals, and costumes
- Examine illustrations to predict and recall stories
- Verbalize plot sequence and character attributes
- Search the classroom for clues relating to the day's theme
- Enjoy exploring various art materials
- Participate in musical activities and play instruments
- Run, hop, and jump in fun circle time activities
- Expand their imagination
